==

I beg to state that in view of prevalance of Plague infection in the bordering villages of this Town I have entertained a Special gang of 6 members on Rs 10/- each for immediate disinfection and cyanogasing the town in anticipation of your kind approval in the interest of the safety of the town. It has been found by experience that with the existing staff that only work of routine nature is being carried out The I stage drain work which should have been completed long back is still incomplete consequently there is stagnation of sewage water and accumulation of rubbish.

I request under the circumstances that I may kindly be permitted to continue the gang for a period of 1½ months in the first instance The extra cost will be met out of the closing balance of the current year The financial position of the council admists this extra expenditure The gang was employed from 24-9-1945.

I solicit the favour of kind orders in the matter
